

FPT

Design: **Studio Mist-o**

Family of tables in three heights and two diameters, they can be used individually or grouped. Composed of only 3 elements, frame, legs and top are flat-pack and can be easily assembled. The various finishes of the wooden structure (natural, open pore black, lacquered in various colors) can be combined on the different floors.

Technical information

Structure: ash or MDF wood structure, open pore painted or lacquered

Top: lacquered MDF, glass or white Carrara marble
